## Industrial Cellular Gateway LTE Data Plans

LTE data plans from ProSoft Technology make it easier to get up and running with your ICX35-HWC Industrial Cellular Gateway. Our plans are available for service in the United States on either Verizon™ or AT&T™ networks. Plans are available with either 250 MB or 5 GB per month of LTE data, and include SMS service to work with the ICX35-HWC EtherNet/IP™ SMS function.

Plans are offered in two-year intervals with the convenience of a one-time purchase order. Some plans are available with static public IP addresses, to allow direct access of the gateway from the Internet.

### Features

- ◆ Convenient, one-time purchase order for two-year service plan
- ◆ 250 MB or 5 GB per month data allotment
- ◆ Industrial rated SIM cards with extended temperature range
- ◆ Choice of AT&T or Verizon service plans
- ◆ ProSoft Technology technical support
- ◆ SMS service enabled to allow use of ICX35-HWC SMS messaging functionality

## Plan Options

| <b>RLXIC-ATT-xxx-24</b> | <b>xxx = 250M</b> | <b>xxx = 5G</b> |
|-------------------------|-------------------|-----------------|
| Carrier                 | AT&T              | AT&T            |
| Monthly Data            | 250 MB            | 5 GB            |
| Monthly SMS             | Unlimited         | Unlimited       |
| IP Address              | Static Public     | Static Public   |

| <b>RLXIC-VZW-xxx-24</b> | <b>xxx = 250M</b> | <b>xxx = 5G</b> |
|-------------------------|-------------------|-----------------|
| Carrier                 | Verizon           | Verizon         |
| Monthly Data            | 250 MB            | 5 GB            |
| Monthly SMS             | 125               | 125             |
| IP Address              | Dynamic Public    | Dynamic Public  |
